

## KDHE Announces Annual Immunization Conference

The Kansas Department of Health and Environment (KDHE), Immunization Project, will hold its annual Kansas Annual Immunization Conference Sept. 19-21 in Wichita.

This year's conference, *Healthy Kids in the Heartland*, is designed to improve the immunization delivery system within Kansas by providing the most current information regarding immunization recommendations, preparing for emerging infections, and dealing with challenging issues and situations. The conference will be oriented toward physicians, nurses, pharmacists, and other health care professionals interested in pediatric and adult immunizations. Scheduled speakers include physicians, public health officials, and pharmacists. Continuing education credit hours have been approved for physicians, pharmacists and nurses.

The conference will be held in Wichita on Sept. 19, 20 and 21, 2006, at the Hilton Wichita Airport – Executive Conference Center. For questions and/or to register, please call the Kansas University Medical Center AHEC at (620) 235-4040. The pre-registration deadline is Aug. 31, 2006. The Hilton Wichita Airport is located at 2098 Airport Road, Wichita, Kansas. For hotel reservations, call (316) 945-5272.
